

Freight Allowed Policy (2025)

Standard delivery shipping in 48 continental USA is freight allowed on a shipment over \$2,500 USD.

Delivery destined to Alaska and Hawaii is freight allowed on a shipment over \$4,000 USD, and to Canada all regions is \$3,500 CAD (Duties & Brokerage are covered)

Accessorial charges in transportation are fees levied by freight transportation carriers for services that go beyond standard pick-up and delivery. Accessorial fees are usually applied when there is a need for additional labor, equipment, time, or fuel.

Any required accessorial service with fee is to be paid by the customer. The service fee is waived to orders with a total amount exceeding \$10,000USD - multiple shipments not included. Please see below for a list of the most common accessorial and definitions. Note: fees vary between carriers.
